Description	Lanzarote. Tinajo. Urban plot of 1.216 sqm with project and urbanistic licence (only pending to pay the fee) facing two streets and with spectacular views to the sea, to the Risco de Famara and to La Graciosa. The project allows to build 639 m2 and distributed in a basement of 289 m2 with toilet and with direct access to the house. On one floor and with a surface of 350 m2 this property would consist of: four bedrooms, one of them with en suite bathroom and dressing room and with breathtaking views, one bathroom, two toilets, large living room with kitchen and dining room, solana and patio. Outside there is a large, wind protected terrace, swimming pool, barbecue area and a large perimeter area with gardens. This is a great family housing project where the architects have thought about energy self-sufficiency to only pay 30/40 euros of supply monthly. It can be built right now, with an unbeatable location, at the exit to La Santa and with privileged views.
